

PARENT CARPOOL REGISTRATION FORM
(This form does not apply to student driver carpools.)

MHS parents have the opportunity of receiving FIVE S.O.S. hours each semester if 1) the parent drives a carpool (consisting of at least one additional student (not including the parent's multiple children), OR 2) the family's student rides in another parent's carpool.

As part of our Traffic Control Plan all families are encouraged to carpool. Families who participate in our program are rewarded for their part in minimizing the impact of school traffic in our neighborhood. Families will need to submit a new carpool registration form at the beginning of each semester.
