You will begin the evening by going onto the field for batting practice at the Stadium by 4 pm. Take as many photos as you desire, standing only feet away from your favorite players! You will also have the opportunity to go into the Dodger dugout and listen to Manager Joe Torre’s exclusive “closed session” pre-game interview with the media.

After batting practice is over, you will visit the Vin Scully Press Box to eat dinner. Tommy Lasorda, Vin Scully, Fernando Valenzuela and other former Dodgers are among those who frequently dine in the Press Box area before each game.

After dinner, you’ll head back to the field, where you will be able to photograph the entire game from the special Professional Photographers’ Well, located right next to the dugout. Take action photos to your heart’s content in the same area where the L.A. Times and USA Today photographers sit!

This incredible opportunity is an evening you will remember forever!
